VAN DETAILS

This caravan has a real feeling of luxury about it. It is laid out in a traditional style, and is in excellent condition throughout.

KITCHEN

A very well laid out kitchen with eye level oven and microwave. There is a stainless steel sink under the window and to the side is a four burner gas hob with extractor fan. The work surfaces are finished in a dark marble effect.

DINING AREA

The dining area is opposite the kitchen. There is a large rectangular table with four freestanding chairs, to the side is a beautiful display cupboard. The wood finish in the dining area and lounge is a pleasant light oak.

MAIN BEDROOM

A really spacious room with plenty of room around the bed. At the foot of the bed is a large wardrobe with mirrored doors. A floor to ceiling window makes for a very bright and airy feeling in this room.

TWIN BEDROOM

Wow! This twin room is one of the best we have seen. There are two single beds, larger than usual, with plenty of room to walk between. To the left of the entrance door is a large wardrobe/dressing table unit with mirror above. A really spacious room.

BATHROOM

The bathroom is situated off the hallway and is split into two. The large shower and sink in one room and the toilet and second sink in the other.
