High-Specification Model

The Willerby Winchester offers many hidden features which can be easily missed at first glance, making this a wonderful luxury caravan. The living area has extensive wall cupboard storage and multiply media unit configurations around the corner fireplace. The sumptuous three piece suite feature two swivel armchairs, perfect for making the most of the glorious sunshine pouring through the floor to ceiling front windows.

The exceptionally well appointed kitchen offers you all the home comforts, featuring integrated fridge and freezer, eye-level double oven and separate hob and microwave shelf.

The dining area has a freestanding table and chairs, with two additional chairs storage to the rear of the caravan.

Through to the back you will find the twin bedroom and main bathroom with double size shower and white bathroom suite.

The splendid main bedroom offers a walk-in wardrobe with full length mirror, a double bed with underbed storage and a floor length window, perfect for enjoying the morning sunshine. There is also an ensuite.

The luxurious, yet homely feel of this model really must be experienced to be believed—book a visit today to enjoy the Winchester for yourself.
